APPENDIX

MUSLIM MOSQUE, INCORPORATED (MMI)

The March 13, 1964, edition of "The New York Times," a daily newspaper published in New York, New York, contained an article on page 20 which indicated that MALCOLM X (LITTLE), former national official of the Nation of Islam (NOI) who broke with the NOI on March 8, 1964, publicly announced in New York City on March 12, 1964, that he had formed the Muslim Mosque, Incorporated (MMI). The MMI, according to the article would be a broadly based politically oriented black nationalist movement for Negroes only, financed by voluntary contributions. In this public statement MALCOLM X urged Negroes to abandon the doctrine of non-violence when it is necessary to defend themselves in the civil rights struggle, and he also suggested that Negroes form rifle clubs to protect their lives and property in time of emergencies in areas where the government is unable or unwilling to protect them.

Incorporation papers of the MMI filed on March 16, 1964, with the Business Section, Clerk of Courts, New York County, New York, New York, reflect that the MMI was incorporated under the Religious Corporation Law of the State of New York to work for the imparting of the Islamic Faith and Islamic Religion in accordance with "accepted Islamic principals." The principal place of worship to be located in the Borough of Manhattan, New York, New York.

The May 23, 1964, edition of the "New York Amsterdam News," a weekly Negro newspaper published in New York City, contained an article by columnist JAMES BOOKER in which he indicated that he had heard that the visit by MALCOLM X with Muslim leaders during his African tour has changed him to become soft in his anti-white feelings and to become more religious.

On October 6, 1964, a confidential source advised that the MMI is apparently affiliated with the true orthodox Islamic Religion through its affiliation with the Islamic Foundation (of New York), 1 Riverside Drive, New York City. The only teachings of the MMI are on the Islamic Religion.

2.

APPENDIX

MUSLIM MOSQUE, INCORPORATED

A second confidential source advised on October 20, 1964, that the headquarters of the MMI are located in Suite 128, Hotel Theresa, 2090 Seventh Avenue, New York, New York, where they were established on March 16, 1964. These headquarters are shared with the Organization of Afro-American Unity (OAAU) which is also headed by MALCOLM X.

MALCOLM X was assassinated on February 21, 1965, while addressing an OAAU rally at the Audubon Ballroom, Broadway and 166th Street, New York City.

1.

APPENDIX

ORGANIZATION OF AFRO-AMERICAN UNITY, INCORPORATED (OAAU)

On June 28, 1964, MALCOLM X LITTLE, founder and leader of the Muslim Mosque, Incorporated (MMI), publicly announced the formation of a new, all Negro, militant civil rights action group to be known as the Organization of Afro-American Unity (OAAU), with himself as Chairman. This announcement was made at a public rally held by the MMI in the Audubon Ballroom, Broadway and 166th Street, New York City.

A printed and published statement of basic OAAU aims read by MALCOLM X at this meeting indicates that it shall include "all" people of African descent in the Western Hemisphere, as well as "our" brothers and sisters on the African continent. It is patterned after the "letter and spirit" of the Organization of African Unity established (by African heads of States) at Addis Ababa, Ethiopia, in May, 1963.

A recording of the remarks of MALCOLM X at this meeting indicates that the aim of the OAAU is to eliminate differences between Negroes so they can work together for "human rights," while the initial objective is to "internationalize" the American civil rights movement by taking it to the United Nations. LITTLE condemned the non-violent civil rights movement and claims that Negroes should be taught to protect themselves, when and if necessary. The OAAU will sponsor a program for Negroes of education, politics, culture, economics, and social reform.

On August 19, 1964, a confidential source advised that the headquarters of the OAAU are located in MMI headquarters, Suite 128, Hotel Theresa, 2090 7th Avenue, New York City.

MALCOLM X was assassinated on February 21, 1965, while addressing an OAAU rally at the Audubon Ballroom, New York City.

On April 13, 1965, a second confidential source advised that on March 26, 1965, the OAAU filed a Certificate of Incorporation with the Department of State, State of New York, Albany, New York, and henceforth the organization's true name will be Organization of Afro-American Unity, Incorporated.

The New York "Amsterdam News", a New York weekly Negro newspaper, dated April 3, 1965, contained an article captioned "Malcolm's Widow in Mecca". This article in part states that "The possibility of a split in the ranks of followers of the late Malcolm X Shabazz loomed heavily this week as Malcolm's widow, Mrs. Betty Shabazz was on her way to Mecca for the annual Moslem pilgrimage during the Hajj pilgrimage season which begins April 13.

"Sources close to Mr. Shabazz, who left New York last weekend and arrived early this week in Jedda, Saudi Arabia, said she would be making her first pilgrimage to Mecca and would announce her decision on whether she would take the leadership of the Organization of Afro-American Unity upon her return to the United States in late April.

"Friends said Mrs. Shabazz had agreed to make the pilgrimage prior to her husband's death, but had debated whether to go because of the tragic death, but decided to go.

The New York "Courier", a New York City Negro newspaper, dated April 24, 1965, contained an article captioned "Who Paid For Mrs. X's Moslem Trip To Mecca?".

This article in part states:

"Many questions are being asked by followers of the assassinated Malcolm X following his widow's trip to Saudi Arabia at a time when she was described as 'penniless and destitute' at the time of the slain Black Nationalist leader's death.

"A high-ranking official of the Organization of Afro-American Unity which he founded after he defected from the Black Muslim movement last year indicated that efforts to raise money for her and the four children that Malcolm left behind were 'seriously hurt' by her trip. She flew to Mecca on a Moslem pilgrimage during the Hajj pilgrimage season, a highlight in any Moslem's life.

"Rumors have circulated that her trip may have been sponsored by several African nations which Malcolm visited within the last two years. A name that keeps cropping up among the alleged sponsors of her trip is Gamal Nasser, ruler of the United Arab Republic, and also a good friend of her late husband.

The March 13, 1964 edition of "The New York Times," a daily newspaper published in New York, New York, contained an article on page 20 which indicated that MALCOLM X (LITTLE), former national official of the Nation of Islam (NOI) who broke with the NOI on March 8, 1964, publicly announced in New York City on March 12, 1964, that he had formed the Muslim Mosque, Incorporated (MMI). The MMI, according to the article, would be a broadly based politically oriented black nationalist movement for Negroes only, financed by voluntary contributions. In this public statement, MALCOLM X urged Negroes to abandon the doctrine of non-violence when it is necessary to defend themselves in the civil rights struggle, and he also suggested that Negroes form rifle clubs to protect their lives and property in time of emergencies in areas where the government is unable or unwilling to protect them.

Incorporation papers of the MMI filed on March 16, 1964, with the Business Section, Clerk of Courts, New York County, New York, New York, reflect that the MMI was incorporated under the Religious Corporation Law of the State of New York to work for the imparting of the Islamic Faith and Islamic Religion in accordance with "accepted Islamic principals." NATION OF ISLAM

In January, 1957, a source advised ELIJAH MUHAMMAD has described his organization on a nationwide basis as the 'Nation of Islam' and 'Muhammad's Temples of Islam.'

On May 7, 1965, a second source advised ELIJAH MUHAMMAD is the national leader of the Nation of Islam (NOI); Muhammad's Temple of Islam Number 2, 5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI; and in mid-1960 Muhammad and other NOI officials, when referring to Muhammad's organization on a nationwide basis, commenced using either "Mosque" or "Temple" when mentioning one of 'Muhammad's Temples of Islam.'

The NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States. Members following MUHAMMAD's teachings and his interpretation of the "Koran" believe there is no such thing as a Negro; the so-called Negroes are slaves of the white race, referred to as 'white devils,' in the United States; and the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

On May 5, 1958, the first source advised MUHAMMAD had, upon advice of legal counsel, tempered his personal statements and instructions to his ministers concerning the principles of his organization in order to avoid possible prosecution by the United States Government; however, he did not indicate any fundamental changes in the teachings of his organization.

On May 3, 1965, a third source advised MUHAMMAD had, early in July, 1958, decided to de-emphasize the religious aspects of the teachings of Islam and to stress the economic benefits to be derived by those Negroes who joined the NOI.

This announcement was made at a public rally held by the MMI in the Audubon Ballroom, Broadway and 166th Street, New York City.

A printed and published statement of basic OAAU aims read by MALCOLM X at this meeting indicates that it shall include "all" people of African descent in the Western Hemisphere, as well as "our" brothers and sisters on the African continent. It is patterned after the "letter and spirit" of the Organization of African Unity established (by African heads of States) at Addis Ababa, Ethiopia, in May, 1963.

A recording of the remarks of MALCOLM X at this meeting indicates that the aim of the OAAU is to eliminate differences between Negroes so they can work together for "human rights," while the initial objective is to "internationalize" the American civil rights movement by taking it to the United Nations. LITTLE condemned the non-violent civil rights movement and claims that Negroes should be taught to protect themselves, when and if necessary. The OAAU will sponsor a program for Negroes of education, politics, culture, economics, and social reform.

On May 17, 1965, a confidential source advised that the headquarters of the OAAU are located in MMI headquarters, Suite 128, Hotel Theresa, 2090 7th Avenue, New York City.

MALCOLM X was assassinated on February 21, 1965, while addressing an OAAU rally at the Audubon Ballroom, New York City.

YOUNG SOCIALIST ALLIANCE

The May, 1960, issue of the "Young Socialist" (YS), page one, column 3, disclosed that during April 15 through 17, 1960, a national organization entitled "The Young Socialist Alliance" (YSA) was formed by the nationwide supporter clubs of the publication YS.

The above issue, page six, set forth the Founding Declaration of YSA. This declaration stated that the YSA recognizes the Socialist Workers Party (SWP) as the only existing political leadership on class struggle principles, and that the supporters of the YS have some into basic political solidarity with the SWP on the principles of revolutionary socialism.

A source advised on May 7, 1965, that the original YSA was an organization formed during October, 1957, in New York City by youth of various left socialist tendencies, particularly members and followers of the SWP. The leaders of this group were the guiding forces in the establishment of the national organization.

The source further advised on May 7, 1965, that the YSA is dominated and controlled on a national basis by the SWP through having SWP members comprise exclusively the National Executive Committee (NEC) and through an official SWP representative at all YSA NEC meetings. The YSA, in reality, is the youth and training section of the SWP and the main source of new SWP members.

The headquarters of the YSA are located in Room 631, 41 Union Square West, New York City.

The SWP has been designated pursuant to Executive Order 10450.

APPENDIX

1.

NATION OF ISLAM

In January, 1957, a source advised that ELIJAH MUHAMMAD has described his organization on a nationwide basis as the "Nation of Islam" and "Muhammad's Temples of Islam."

On April 29, 1966, a second source advised that, ELIJAH MUHAMMAD is the national leader of the Nation of Islam (NOI); Muhammad's Temple of Islam No. 2, 5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI; and in mid-1960, MUHAMMAD and other NOI officials, when referring to MUHAMMAD's organization on a nationwide basis, commenced using either "Mosque" or "Temple" when mentioning one of "Muhammad's Temples of Islam."

The NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD claims to have been selected by ALLAH, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States. Members following MUHAMMAD's teachings and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils," in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

On May 5, 1958, the first source advised that MUHAMMAD had, upon advice of legal counsel, tempered his personal statements and instructions to his ministers concerning the principles of his organization in order to avoid possible prosecution by the United States Government;

NY 105 29845

APPENDIX (CONT'D)

2.

NATION OF ISLAM (CONT'D)

however, he did not indicate any fundamental changes in the teachings of his organization.

On May 2, 1966, a third source advised that MUHAMMAD had, early in July, 1958, decided to de-emphasize the religious aspects of the teachings of Islam and to stress the economic benefits to be derived by those Negroes who joined the NOI. This policy change, according to MUHAMMAD, would help him acquire additional followers and create more interest in his programs.

ORGANIZATION OF AFRO-AMERICAN  
UNITY, INCORPORATED (OAAU)

On June 28, 1964, MALCOLM X LITTLE, founder and leader of the Muslim Mosque, Incorporated (MMI), publicly announced the formation of a new, all Negro, militant civil rights action group to be known as the Organization of Afro-American Unity (OAAU), with himself as Chairman. This announcement was made at a public rally held at the MMI in the Audubon Ballroom, Broadway and 166th Street, New York City.

A printed and published statement of basic OAAU aims read by MALCOLM X at this meeting indicates that it shall include "all" people of African descent in the Western Hemisphere, as well as "our" brothers and sisters on the African continent. It is patterned after the "letter and spirit" of the Organization of African Unity established (by African heads of States) at Addis Ababa, Ethiopia, in May, 1963.

A recording of the remarks of MALCOLM X at this meeting indicates that the aim of the OAAU is to eliminate differences between Negroes so they can work together for "human rights," while the initial objective is to "internationalize" the American civil rights movement by taking it to the United Nations. LITTLE condemned the non-violent civil rights movement and claims that Negroes should be taught to protect themselves, when and if necessary. The OAAU will sponsor a program for Negroes of Education, politics, culture, economics, and social reform.

b6  
b7c

MALCOLM X was assassinated on February 21, 1965, while addressing an OAAU rally at the Audubon Ballroom, New York City.

On February 28, 1966, a confidential source advised that the president and head of the OAAU is [redacted] [redacted] MALCOLM X, who resides in Boston, Massachusetts.

On April 13, 1965, a second confidential source advised that on March 26, 1965, the OAAU filed a Certificate of Incorporation with the Department of State, State of New York, Albany, New York, and henceforth the organization's true name will be Organization of Afro-American Unity, Incorporated.

Reurlet 12/16/66 and your report of the same date.

In view of the subject's background and the absence of any indication that she would be cooperative, the Bureau does not feel that an interview of Little is warranted at this time. Therefore, Bureau authority to contact the subject is denied.

In the event you receive additional information which would justify a contact of Little, advise the Bureau and submit your recommendation accordingly.

ERS:WHF/sjs  
(5)

NOTE: Subject is on the SI and not previously interviewed. She is former wife of Malcolm X Little, former NOI leader, who was murdered 2/21/65. Subject is unemployed except for income from boarders at her residence. In May, 1958, she engaged in hostile activity against a postal inspector and two New York City Police Department detectives for which she was arrested and indicted for felonious assault. She was subsequently acquitted of all charges. There is no indication subject would be cooperative, and when weighed with her background and felonious assault record and potential embarrassment, a contact is not warranted. Will reconsider when next annual report is received.

### REVOLUTIONARY ACTION MOVEMENT

On November 3, 1964, a source made available a document entitled, "The Revolutionary Action Movement Manifesto", the document having been obtained by the source from an individual known to be a member of the Revolutionary Action Movement (RAM).

b6  
b7C

This document stated, in part, that RAM was officially organized in the Winter of 1963 by Afro-Americans who support the revolutionary objectives of [redacted] then residing in Cuba, and his concept of organized violence to achieve the liberation of the Afro-American people in the United States. This Manifesto disclosed that RAM had oriented its program to one of education and political revolution and the organization of a "black" political party with revolutionary objectives, having recognized the need for a "black revolution" that could and would seize power. RAM philosophy is described in this document as one of revolutionary nationalism, that is, one involving the struggles of the non-white races of the world against exploitation and enslavement by the white capitalist and imperialist nations.

Regarding [redacted] it should be noted that on August 28, 1961, a Federal warrant was issued at Charlotte, North Carolina, charging him with Unlawful Flight to Avoid Prosecution for the crime of kidnaping. Subsequent to the issuance of this warrant, [redacted] fled the United States to Cuba, where he published a monthly newsletter entitled "The Crusader" from Havana. As of December, 1966, [redacted] was residing in Peking, China.

This source, in September, 1964, advised RAM is dedicated to the overthrow of the capitalist system in the United States, by violence, if necessary, and to its replacement by a socialistic system oriented toward the Chinese Communist interpretation of Marxism-Leninism. RAM is entirely non-white in membership, clandestine in nature, and owes its primary allegiance to the "Bandung World", that is, the non-white races of the world rather than to any national entity, as such.

APPENDIX

2.

REVOLUTIONARY ACTION MOVEMENT (CONTINUED)

On November 16, 1964, a second source advised he learned recently from a RAM member that the organization began in Detroit, Michigan, largely under the impetus of [redacted] described as the "Father" of RAM and referred to as [redacted] served as RAM Chairman, with [redacted] (now of Philadelphia, Pennsylvania) serving as RAM Field Chairman.

On May 12, 1967, a third source advised that the RAM still remains active; however, there is no formal headquarters as such, for the RAM. The source advised that [redacted] of Philadelphia, Pennsylvania, is considered the leader of RAM and if a RAM headquarters ever existed, it will most likely be where [redacted] resides.

A source advised on August 25, 1960, that the Socialist Party (SWP) - New York Local (NYL) was founded in 1938, in New York City.

A second source stated on May 17, 1967, that the SWP-NYL was affiliated with and followed the aims of the National SWP.

The SWP has been designated pursuant to Executive Order 10450.

### ORGANIZATION OF AFRO-AMERICAN UNITY, INCORPORATED (OAAU)

On June 28, 1964, MALCOLM X LITTLE, founder and leader of the Muslim Mosque, Incorporated, (MMI), publicly announced the formation of a new, all Negro, militant civil rights action group to be known as the Organization of Afro-American Unity (OAAU), with himself as Chairman. This announcement was made at a public rally held by the MMI in the Audubon Ballroom, Broadway and 166th Street, New York City.

A printed and published statement of basic OAAU aims read by MALCOLM X at this meeting indicates that it shall include "all" people of African descent in the Western Hemisphere, as well as "our" brothers and sisters on the African continent. It is patterned after the "letter and spirit" of the Organization of African Unity established (by African heads of States) at Addis Ababa, Ethiopia, in May, 1963.

A recording of the remarks of MALCOLM X at this meeting indicates that the aim of the OAAU is to eliminate differences between Negroes so they can work together for "human rights", while the initial objective is to "internationalize" the American civil rights movement by taking it to the United Nations. LITTLE condemned the non-violent civil rights movement and claims that Negroes should be taught to protect themselves, when and if necessary. The OAAU will sponsor a program for Negroes in education, politics, culture, economics, and social reform.

MALCOLM X was assassinated on February 21, 1965, while addressing an OAAU rally at the Audubon Ballroom, New York City.

On April 13, 1965, a confidential source advised that on March 26, 1965, the OAAU filed a Certificate of Incorporation with the Department of State, State of New York, Albany, New York, and henceforth, the organization's true name will be Organization of Afro-American Unity, Incorporated.

# Negro Women Urged to Push Rights Fight

The widow of slain black nationalist Malcolm X said in Detroit that Negro women must strive to build stronger family units and become more involved in the struggle for Negro rights.

Mrs. Betty Shabazz appeared here yesterday as part of "Woman's Day" in Central United Church of Christ, 7625 Linwood, during its 19th anniversary. The church is the spiritual headquarters for the city's black nationalists.

"Black women can not afford not to become involved in the struggle," Mrs. Shabazz declared. "They must build strong families so their sons will not have to suffer the same pains as their fathers."

"SHE IMplored black women "not to become the slaves of welfare."

"Remember," she said, "when whites give you welfare and poverty money, they can cut it off anytime. It's only temporary. Don't become a slave to this welfare system."

Nearly 1,000 persons, including about 15 whites, jammed the church, located in the midst of the riot-torn west side, to hear Mrs. Shabazz.

In a 45-minute speech she told the gathering to "teach your children to keep their hearts, minds and souls on the goals they hope to achieve."

She made a passing reference to the Israeli-Arab war declaring, "Some people can get their rights in six days, we should not have to wait 500 years."

"Black people are not violent," Mrs. Shabazz declared, "because they resist oppression — this is self-defense."

A native-Detroit, Mrs. Shabazz graduated from North High School before she married Malcolm in New York.

"I do not minimize the help whites have given us during our struggle," Mrs. Shabazz said, "but we must learn to help ourselves and each other."

"Whites can best help us now by working among whites trying to make them understand our cause. Many white people who socialize with us now know it is much easier to join us than to convince other whites of the justice of our cause."

THE NEGRO family unit was broken up during slavery, Mrs. Shabazz said, "and we must now put it back together."

"We don't mind integrating," she said, "but we do not want to assimilate. Our culture is in Africa just as much as the white man's is in Europe. Black mothers must teach

their children of their own past, make them understand that it is just as glorious as any other culture."

MUSLIM MOSQUE, INCORPORATED (MMI)

The March 13, 1964, edition of "The New York Times", a daily newspaper published in New York, New York, contained an article on page 20 which indicated that MALCOLM X (LITTLE), former national official of the Nation of Islam (NOI), who broke with the NOI on March 8, 1964, publicly announced in New York City on March 12, 1964, that he had formed the Muslim Mosque, Incorporated (MMI). The MMI, according to the article, would be a broadly based politically oriented black nationalist movement for Negroes, only, financed by voluntary contributions. In this public statement, MALCOLM X urged Negroes to abandon the doctrine of non-violence when it is necessary to defend themselves in the civil rights struggle, and he also suggested that Negroes form rifle clubs to protect their lives and property in time of emergencies in areas where the government is unable or unwilling to protect them.

Incorporation papers of the MMI filed on March 16, 1964, with the Business Section, Clerk of Courts, New York County, New York, New York, reflect that the MMI was incorporated under the Religious Corporation Law of the State of New York to work for the imparting of the Islamic Faith and Islamic Religion in accordance with "accepted Islamic principles". The principal place of worship to be located in the Borough of Manhattan, New York, New York.

The May 23, 1964, edition of the "New York Amsterdam News", a weekly Negro newspaper published in New York City, contained an article by columnist [redacted] in which he indicated that he had heard that the visit by MALCOLM X with Muslim leaders during his African tour has changed him to become soft in his anti-white feelings and to become more religious.

b6  
b7c

On October 6, 1964, a confidential source advised that the MMI is apparently affiliated with the true orthodox Islamic Religion through its affiliation with the Islamic Foundation (of New York), 1 Riverside Drive, New York City. The only teachings of the MMI are on the Islamic Religion.

MUSLIM MOSQUE, INCORPORATED (MMI)

This confidential source advised on May 17, 1965, that the headquarters of the MMI are located in Suite 128, Hotel Theresa, 2090 Seventh Avenue, New York, New York, where they were established on March 16, 1964. These headquarters are shared with the Organization of Afro-American Unity, Incorporated (OAAU) which was also headed by MALCOLM X.

MALCOLM X was assassinated on February 21, 1965, while addressing an OAAU rally at the Audubon Ballroom, Broadway and 166th Street, New York City.

This same confidential source advised on September 8, 1965, that the activities of the MMI following the death of MALCOLM X were limited to the teaching of classes in the Islamic religion and a class in judo for self-protection. These classes were held regularly until the latter part of July, 1965, when they were discontinued. Since then, the MMI has held no meetings and there has been absolutely no activity by the MMI which appears to be completely "dead".

NATION OF ISLAM, FORMERLY REFERRED  
TO AS THE MUSLIM CULT OF ISLAM, ALSO  
KNOWN AS MUHAMMAD'S TEMPLES OF ISLAM

In January, 1967, a source advised ELIJAH MUHAMMAD described his organization on a nationwide basis as the "Nation of Islam" and "Muhammad's Temples of Islam."

On May 5, 1967, a second source advised ELIJAH MUHAMMAD is the national leader of the Nation of Islam (NOI); Muhammad's Temple of Islam No. 2, 5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI; and in mid-1960 MUHAMMAD and other NOI officials, when referring to MUHAMMAD's organization on a nationwide basis, commenced using either "Mosque" or "Temple" when mentioning one of "Muhammad's Temples of Islam."

The NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD claims to have been selected by ALLAH, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States. Members following MUHAMMAD's teachings and his interpretation of the "Koran" believe there is no such thing as a Negro; the so-called Negroes are slaves of the white race, referred to as "white devils", in the United States; and the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

On May 5, 1958, the first source advised MUHAMMAD had, upon advice of legal counsel, tempered his personal statements and instructions to his ministers concerning the principles of his organization in order to avoid possible prosecution by the United States Government; however, he did not indicate any fundamental changes in the teachings of his organization.

NATION OF ISLAM (CONTINUED)

On May 2, 1966, a third source advised MUHAMMAD had, in early July, 1958, decided to de-emphasize the religious aspects of the teachings of Islam and to stress the economic benefits to be derived by those Negroes who joined the NOI. This policy change, according to MUHAMMAD, would help him acquire additional followers and create more interest in his programs.

Correlator's Note: [redacted] in serial 1 of above file, advised on 3/15/65, that [redacted] had given one of the principal eulogies at the funeral of Malcolm X on 2/27/65 in NYC. Since that time he had apparently become very friendly with Malcolm's widow, Betty. [redacted] asked Betty to come to the Sudanese Mission to meet some of the officials. However, he neglected to let them know she was coming. The Sudanese have had a long-standing policy of non-involvement in US Negro-White problems, therefore they were embarrassed by [redacted] remarks at Malcolm X's funeral, and greatly perturbed when his widow appeared at their Mission offices. She was politely ushered out without having met a single delegate.

Members of the Seattle, Wash., Branch, SWP, met with [redacted] of the Progressive Labor Party in Vancouver, B.C., in March, 1965, and sent financial contributions to Mrs. Malcolm X. (Source not given.)

APPENDIX

1.

ORGANIZATION OF AFRO-AMERICAN  
UNITY, INCORPORATED

On June 28, 1964, MALCOM X LITTLE, founder and leader of the Muslim Mosque, Incorporated (MMI), publicly announced the formation of a new, all Negro, militant civil rights action group to be known as the Organization of Afro-American Unity (OAAU) with himself as Chairman. This announcement was made at a public rally held by the MMI in the Audubon Ballroom, Broadway and 166th Street, New York City.

A printed and published statement of basic OAAU aims read by MALCOM X at this meeting indicates that it shall include "all" people of African descent in the Western Hemisphere, as well as "our" brothers and sisters on the African continent. It is patterned after the "letter and spirit" of the Organization of African Unity established (by African heads of States) at Addis Ababa, Ethiopia, in May, 1963.

A recording of the remarks of MALCOM X at this meeting indicates that the aim of the OAAU is to eliminate differences between Negroes so they can work together for "human rights", while the initial objective is to "internationalize" the American Civil Rights movement by taking it to the United Nations. LITTLE condemned the non-violent civil rights movement and claims that Negroes should be taught to protect themselves, when and if necessary. The OAAU will sponsor a program for Negroes in education, politics, culture, economics, and social reform.

MALCOM X was assassinated on February 21, 1965, while addressing an OAAU rally at the Audubon Ballroom, New York City.

On April 13, 1965, a confidential source advised that on March 26, 1965, the OAAU filed a Certificate of Incorporation with the Department of State, State of New York, Albany, New York, and henceforth, the organization's true name will be Organization of Afro-American Unity, Incorporated.

APPENDIX

1.

ORGANIZATION OF AFRO-AMERICAN  
UNITY, INCORPORATED

On June 28, 1964, MALCOM X LITTLE, founder and leader of the Muslim Mosque, Incorporated (MMI), publicly announced the formation of a new, all Negro, militant civil rights action group to be known as the Organization of Afro-American Unity (OAAU) with himself as Chairman. This announcement was made at a public rally held by the MMI in the Audubon Ballroom, Broadway and 166th Street, New York City.

A printed and published statement of basic OAAU aims read by MALCOM X at this meeting indicates that it shall include "all" people of African descent in the Western Hemisphere, as well as "our" brothers and sisters on the African continent. It is patterned after the "letter and spirit" of the Organization of African Unity established (by African heads of States) at Addis Ababa, Ethiopia, in May, 1963.

A recording of the remarks of MALCOM X at this meeting indicates that the aim of the OAAU is to eliminate differences between Negroes so they can work together for "human rights", while the initial objective is to "internationalize" the American Civil Rights movement by taking it to the United Nations. LITTLE condemned the non-violent civil rights movement and claims that Negroes should be taught to protect themselves, when and if necessary. The OAAU will sponsor a program for Negroes in education, politics, culture, economics, and social reform.

MALCOM X was assassinated on February 21, 1965, while addressing an OAAU rally at the Audubon Ballroom, New York City.

On April 13, 1965, a confidential source advised that on March 26, 1965, the OAAU filed a Certificate of Incorporation with the Department of State, State of New York, Albany, New York, and henceforth, the organization's true name will be Organization of Afro-American Unity, Incorporated.

## Malcolm X's Widow Calls For End to Racial Dominance

Betty Shabazz, mother of six, world traveler, registered nurse and widow of Malcolm X, looked around at the 350 persons in the D'Youville College Center dining room Thursday evening and asked:

"What god ever decreed that the white man could rule the black man?"

She said that Africa is the birthplace of man and civilization, but that whites ignore black culture. She praised black studies courses, but predicted that "many are doomed before they start."

Mrs. Shabazz cited Negro disinterest in black studies as an example of white rule. "Some blacks consider African studies to be a direct threat because they have lived so long in a dominant white culture."

### Warns of Impending Violence

Saying that most of the nation's poor housing, poor schools, and poor jobs are for the black man, she warned: "This must be changed now, not 20 years from now. Or there will be no 20 years from now!"

"This is not a threat," she said. "The forces of violence are already in motion."

Mrs. Shabazz, whose husband was slain by a fellow Black Muslim in 1965, explained that she believes whites will face problems now faced by Negroes unless they help to solve them.

For example, she said, "No one was concerned when black mothers cried and moaned about the drug problem. Now it is completely out of hand, spilling over into the white communities."

Continuing her attack on drug abuse she cautioned: "Young people must realize that a freer society does not mean a society dealing in vice."

Criticizes School Methods

She urged students to "read

listen, watch TV, go outside of your neighborhoods and learn," because schools don't equip students to adjust to change.

Mrs. Shabazz spoke in slow, measured phrases, never raising her voice.

"The public schools need re-evaluation and curriculum change," she said. "Adults and educators have a responsibility to reduce conflict and confusion. But some create it."

Occasional murmurs of "right on, right on" filtered through the racially mixed audience as Mrs. Shabazz spoke.

Her appearance was part of D'Youville's "Black American Week," sponsored by the Student Government Association.

## II. BLACK NATIONALIST ACTIVITIES

From September 3 - 7, 1970, the <sup>attended</sup> Congress of African Peoples (CAP) held a general conference in the Student Union of Morris Brown College, Atlanta, Georgia. BETTY SHABAZZ, formerly of the Republic of New Africa (RNA), New York, New York was in attendance. Subject did not seem to be representing any specific group at the CAP. She was formerly associated with RNA, but quit that organization.

NY T-1  
September 8, 1970

A characterization of the RNA is attached to the appendix hereto.

## III. MISCELLANEOUS

Additional confidential informants of the New York Office of the Federal Bureau of Investigation were contacted during September and October, 1970, but were unable to furnish any additional information regarding subject.

APPENDIX

1.

REPUBLIC OF NEW AFRICA

A source advised on May 27, 1969, that the Republic of New Africa (RNA) is an all-Negro organization founded in Detroit, Michigan, at a Black Government Conference held on March 30-31, 1968.

b6  
b7C

At this conference [redacted] was elected President of the RNA. Regarding [redacted] it should be noted that on August 28, 1961, a Federal warrant was issued at Charlotte, North Carolina, charging him with Unlawful Flight to Avoid Prosecution for the crime of Kidnaping. Subsequent to the issuance of this warrant, [redacted] fled the United States.

This source advised that the purpose of the RNA, which is to be revolutionary in nature, is to make efforts for international recognition with assistance from other black nations of the world. The RNA proposes to make attempts to obtain land in one of the southern states, establish a government in exile, petition for a seat in the United Nations, and demand reparations from the United States Government for ancestral slave labor.

A second source advised that the purpose of the RNA is to establish an independent black nation within the United States; demand that the United States give them five southern states--Louisiana, Mississippi, Alabama, Georgia and South Carolina; and demand reparations from the United States for ancestral slave labor. These reparations are to be \$10,000 for every black person in the United States.

At the session of the RNA Second National Convention held in Detroit, Michigan, on March 29, 1969, members of the Black Legion, acting as bodyguards for [redacted], First Vice President of the RNA, opened fire on two Detroit policemen, killing one and critically wounding the other.

NY 105-29845

APPENDIX

2.

REPUBLIC OF NEW AFRICA (cont'd)

A third source advised on March 14, 1969, that the Black Legion is a group within the RNA composed of male and female members dedicated to black freedom and committed to the concept of systematic armed revolution. It is organized along military lines and its members are bound together with the oath of allegiance to the RNA. Members are expected to participate in military drill and engage in firearms training. Its purpose is to bring about the fruition of black power and the establishment of a black nation within the United States.

The Black Legion's mission is: (a) to defend the citizens of the RNA; (b) to defend the territory and property of the RNA; (c) to support the national objectives of the RNA.

A training program has been authorized which provides training in three categories of skills: (a) fighting skills; (b) operating skills; (c) supporting skills.

Because of the police action taken against black nationalist organizations, the RNA is making plans to have an underground Black Legion and an open Black Legion in order to avoid detection by the police.

Reurlet (FD-122) 12/14/70 recommending subject  
be deleted from the Security Index.

The Bureau does not concur with your recommendation.  
She is well-known for her past extremist activity and since  
she is the widow of Malcolm X it would appear she continues  
to exert influence on black extremists. In addition, your  
reluctance to interview subject in view of her past hostile  
attitude toward law enforcement officers suggests that you  
would expect her to display a similar hostile attitude if  
contacted at this time.

Accordingly, subject is being retained in the  
Security Index at this time. Continue to follow her  
activities and to keep the Bureau advised of significant  
developments.

New York recommended subject's deletion from

activity is declining, she did attend the Congress of African

Succinct Resume of Case

Subject married the late civil rights leader MALCOLM X on 1/14/58. Subject was indicted on 6/2/58 for felonious assault in 2nd degree on a police officer, conspiracy, attempting to prevent police officer from performing duties, resisting officer of law, and resisting public officer in discharge of his duties. On 3/18/59, she was acquitted on all these charges.

She was active in Nation of Islam (NOI) and Muslim Girls Training (MGT) from 1958, to March, 1964, when she was expelled because she attended meetings of Muslim Mosque, Inc. (MMI) founded by her husband. In 1959, she was guest of ELIJAH MUHAMMAD, national leader of NOI. In 1964, she attended meetings of Organization of Afro-American Unity (OAAU).

Subject was approved for Security Index in December, 1964.

On 2/21/65, MALCOLM X was assassinated in NYC. During 1965 she was active in OAAU Provisional Committee. She expressed discontent with NOI on 5/20/66; and became inactive in OAAU in 1966. During February, 1967, she attended rifle training session at Jamaica Rifle and Pistol Club, a subsidiary of Revolutionary Action Movement (RAM). During 1968, she indicated she was second Vice-President of RAM, but she resigned in March, 1969, and is no longer an officer or member in that organization.

In 1970, she attended the Congress of African Peoples (CAP), but did not seem to represent any specific group.

In addition to the above, since 1965 subject has attended various memorial services for her late husband.

Recommendation

The above indicates that since March, 1969, subject has not been affiliated with any known subversive organizations and her appearances in Black Nationalist activities is declining.

NY 105-29845

For her only arrest in 1958, she was acquitted. She had been unemployed during her period of greatest activities, but recent investigation shows that she now works for the Mt. Vernon School System. In view of subject's declined in subversive activities and the fact that she has never participated in violent actions since 1958, it is recommended that subject be deleted from the SI of the NYO.

BETTY SHABAZZ

Summary

Captioned individual, who you advised was born May 28, 1936, at Detroit, Michigan, and currently resides at 234 East Fifth Street, Mount Vernon, New York, was the subject of a security-type investigation conducted by the FBI beginning in 1958.

The captioned individual, reportedly was born as Betty D. Sanders, also has used the following names: Mrs. Malcolm K. Little, Mrs. Malcolm Shabazz, Betty X, Betty Malik Shabazz, and Mrs. Malcolm X. Education and marriage license application records indicate captioned individual claimed to have been born May 28, 1934, at Pinehurst, Georgia. School records indicate her father to be Shelman and Ollie Burks with the mother divorced while marriage license data given by her is that her father was Shelman Sandlin and mother was Helen Lowe. The marriage license data indicates a ceremony was performed at Lansing Township, Michigan, on January 14, 1958, between Malcolm X. Little, a minister, and Betty D. Sanders. Her birth data could not be verified by Georgia or Michigan birth records.

The FBI investigation was predicated on information from the New York City Police Department (NYCPD) in June, 1958, that Betty Little was one of four females and one male arrested on June 3, 1958, for felonious assault on a police officer and conspiracy in connection with a U.S. postal matter. On May 14, 1958, a postal inspector and two NYCPD detectives arrived at 25-46 99th Street, East Elmhurst, Long Island, New York, to serve a warrant for mail fraud on another woman reportedly living at the address. The officers were not admitted to the premises. One officer was kicked in the groin and the other officer was hit by thrown milk bottles. On March 18, 1959, a jury acquitted Little of the police charges.

Betty Shabazz

The NOI is an all-Negro organization under Elijah Muhammad at Chicago, Illinois, who is to lead the race out of slavery by establishing an independent black nation in the U.S. Claiming there is no such thing as a Negro but slaves of the white race, referred to as "white devils," NOI officials and members have refused to register under the Selective Service Act and have declared members owe no allegiance to the U.S.

A U.S. passport was issued March 16, 1965, at New York City in the name of Betty Malik Shabazz for the purpose of her travel to Africa. She listed as being last married to Malik Shabazz (Malcom X). She went to Jedda, Saudi Arabia, for the 1965 Haj pilgrimage to Mecca as a guest of the World Islamic League (WIL). Other than having her trip paid for, she received no funds from the Saudi government or the WIL.

The files of the Records Division of Land Records, County Clerks Office, White Plains, New York, indicated that Maurice and Bella Abzug had conveyed their residence at 234 East Fifth Street, Mount Vernon, New York, to Betty Shabazz on September 15, 1965.

From October, 1964, to February, 1965, she attended six Organization of Afro-American Unity (OAAU) meetings or affairs in New York City. OAAU was founded by Malcolm X in 1964 as an all-Negro militant civil rights group. Malcolm X was shot to death by Negro members at an OAAU rally on February 21, 1965, at New York City.

In March, 1965, she was threatened with contempt of court action when she refused to answer questions before the Grand Jury investigating her husband's death.

Also in March, 1965, Betty Shabazz became a member of the OAAU Provisional Committee after arguments with OAAU officials and her dispute over control of the organization.

Betty Little was known to receive financial donations from the Socialist Workers Party and the Militant Labor Forum after the death of Malcolm X.

Betty Shabazz

She expressed discontent with the NOI on May 20, 1966, because Malcolm X was assassinated by Afro-Americans. She became inactive in OAAU after disagreements with Ella Collins who assumed leadership of OAAU.

In a memorial service speech at San Francisco, California, on February 21, 1967, Shabazz stated the Central Intelligence Agency (CIA) was behind her husband's death. She said, "We have enough guns and knives to do some harm so that the white man will recognize that the Negroes mean business."

On August 11, 1967, she was one of the speakers at a rally in Queens, New York, to raise defense money for 17 members of the Jamaica Rifle and Pistol Club (JRPC). The JRPC members were arrested in June, 1967, in New York City for planning to assassinate Negro leaders in the civil rights movement. The JRPC is a subsidiary of the Revolutionary Action Movement, a black militant group dedicated to the overthrow of the capitalist system in the U.S. and replace it with the socialism of the Chinese communist.

In 1968, Shabazz expressed an interest in traveling to Peking, China, but is not known to have made such a trip.

She was named a Second Vice President of the Republic of New Africa (RNA). The RNA is a group of militant blacks calling for guerrilla warfare against the U.S. and demanding several southern states for its own Negro nation.

In September, 1968, she attended the Third National Conference on Black Power at Philadelphia, Pennsylvania.

In 1968, confidential sources, who have furnished reliable information in the past, knew Shabazz was considering marrying [redacted] who had been fired from CORE (Congress of Racial Equality) for his anti-Semitic remarks and hatred of all white people. The sources discounted her marriage to Brown as she would do nothing to change her status of "the widow of Malcolm X."

Betty Shabazz

Since 1969, she has spoken at various memorial services for her late husband and at black nationalist activities. While her activity is declining, she did attend the Congress of African Peoples held in Atlanta, Georgia, during September, 1970, which was attended by many known black extremists.

Shabazz continued to reside at 234 East Fifth Street, Mount Vernon, New York, and take in boarders as a source of income until she was employed by the Mount Vernon School System in 1970. (105-71196-1; 27, 31, 41)
